

2025 Long Island Steel Shootout

Presented by Precision Landscape and Design

Match Booklet

Welcome all shooters and staff to the 2025 Long Island Steel Shootout!

Myself, along with the staff at LIPSA want to start by saying thank you for participating in this amazing match. We've been pleasantly surprised by the tremendous response as well as all the support the club has received from our match Sponsors. Regards, Anthony Bruno

PLEASE NOTE: MATCH IS RAIN OR SHINE

The Long Island Steel shoot out is a sanctioned NRA event. All participants must abide by New York State laws and regulations.

This is the official welcome letter along with Match Schedule and Rules.

We will be holding to the match schedule so please be on time as we cannot wait for any shooters to begin.

LIPSA Staff/RO's – Please park in the 200 yard range

Quick reference for match Rules, please make sure you read the match rules at

www.listeelshootout.com

1. Eye protection/ear protection must be worn at **all times**
2. LIPSA is a Cold range. Any LE please let LIPSA staff know if you need to unload your firearm when you arrive. Do not walk to the line with a loaded firearm. This will result as an automatic **disqualification**.
3. There is no gun handling in the parking area. If you need to holster a firearm, bring the cased firearm to a safe table and holster your firearm there. Please ask LIPSA staff where the safe tables are located.
4. If you don't have a holster for your firearm then you must leave your firearm cased until you get to the shooters box and the RO tells you to "make ready".
5. All PCC Shooters must have a chamber flag in the firearm. All uncasing and casing must happen with the muzzle pointing toward orange cone/berm. There will be gun rack for you to store your flagged PCC prior to shooting. When moving you PCC to and from the rack you must have the muzzle up.
6. Any Magazine that hits the ground once the timer starts is considered a "dead" magazine and cannot be retrieved, if it's picked up off the ground, it's an automatic **disqualification**.
7. **60 Second par time per stage, any steel targets left standing will incur a + 5 second penalty per target.**
